Refine your search

Once you have made a search you can further configure the results.

The configurations are:

- Spelling Variants: - *Is how different the results can be. The number represents the amount of characters can be different in the results.*
- Criteria: - *What kind of results will show. Allows you to specify if the word comes at the start, middle or end of a word.*
- Sort: - *Allows you to sort the results by any of the ways specified in the dropdown menu*

Try configuring your results from the advanced search and see what the different results are.
